1 - What are the strengths and weaknesses of Evan Friedman (discussion section leader, lab section leader, grader) as an instructor, and how might Evan Friedman's teaching be improved?

Response Rate 2/175 (1.14%)

- Evan was really knowledgeable about economics. He was also generous with his time and willing to go out o this way to help students.
- Evan is very knowledge with the material, and he's very good with calculus, which helps tackle most of the problem sets mathematically. He's very patient and answers all questions in details. I appreciated him giving me extra time after the session was over if needed.

2 - What is your overall assessment of the effectiveness of Evan Friedman?
